

Moving the Dojo Safely Into Phase 3

Markham has now moved into Phase 3

As we slowly move forward in expanding our training curriculum safely, we have resumed the following dojo activities:

- Pad Drills
- Weapons Training (Kobudo)

Please see our recently emailed newsletter for more details.

The gym and the changerooms remain closed at this time.

We are working on re-opening these areas safely.

Our instructors continue doing in-dojos as well as virtual belt evaluations on a regular basis to make sure that students who are eligible for belt testing have the opportunity test, regardless of how they are attending class.

Outdoor Training Days

August 5th, 10th, 17th, 24th and 31st

We will be training outdoors in the park on the dates in August listed above. We train at:

Denison Park (Markham)

At the corner of Denison and Mallory Avenue

There is parking at the park

Just bring plenty of water and dress appropriately (t-shirts okay)
